Eric -

I have an important meeting at DEQ HQ at 1 pm on Wednesday, 11 October. It would be nice if I was there for the TZW meeting, but it is not critical that I attend, and you are unlikely to accommodate everyone with a date. Depending on where the TZW meeting is held, I may be able to catch the end of it.

I am working with Joe, Jennifer and Bill Locke to develop an agenda for the TZW meeting. However I wanted people to know that we are planning on moving the meeting from the morning of the 10th to the afternoon of the 11th. This is primarily to accommodate people who would have to travel on a Federal holiday (Columbus Day) and to avoid conflict with DEQ's TDF.

Please get back to me if this does not work.

Eric
